ABOUT LADY B BLESS

Lady B Bless is an award-winning humanitarian, energy access advocate, and strategic business consultant whose work spans Africa, the Caribbean, and the diaspora. As Co-Chair and Co-Founder of the African & Caribbean Energy Network (ACEN), she champions electricity access, clean cooking, and solar energy for communities too often left behind, bringing grassroots voices to global forums, including the United Nations Commission on the Status of Women and the High-level Political Forum on Sustainable Development.
